- Various makeup artists admire the Marc Jacobs Velvet Noir Volume Mascara
- This mascara is known to give an immediate raise to the eyelashes
- The formula of this mascara is easily buildable onto the eyelashes and gives them a super-dramatic look
- The brush shape is a hourglass, which gives you multiple ways to coat each lash
- The intense black color of this mascara emphasizes the false-lash affect.

Marc Jacobs Velvet Noir Major Volume Mascara

Maybelline Lash Discovery

- This mascara gives a natural-looking effect onto the eyelashes
- It gives a subtle lift and tint, without any clumps or chunks on your lashes
- With this mascara, the lashes won't appear too noticeable or dramatic

Lash Star Beauty Full Control Lash Sculpting Mascara

- This mascara features a two-in-one-double-ended tube
 - Which means this mascara comes with two brushes, one on both sides
- The first brush is an ultra-skinny tight-line brush, which helps define each lash
- The second brush is curved and builds volume onto the lash without clumping
- It layers and fully covers the lashes
- One coat of this mascara will give a natural volume and length to the lashes
- Two coats will give separation and volume to the lashes

Covergirl Lash Blast Volume Mascara

- This mascara is known to be the best cruelty-free mascara
 - It is certified by Cruelty Free International
- The silicone brush of this mascara has short bristles , which separates the lashes smoothly with a little smudging
- This mascara is claimed to be the closest thing to lash extensions

E.L.F. Cosmetics Lengthening and Volumizing Mascara

- This mascara is recognized as the best least expensive mascara
- The brush of the mascara is compact and easily maneuverable
 - Which makes it easy to go over the hard-to-reach lashes
- The brush isn't designed as well as other expensive mascaras but for the cheap price of this mascara, it works well
